

Curriculum Vitae

Kim Stratton

Head Group Country Management and External Affairs

Kim Stratton has been Head of Group Country Management and External Affairs since 2010.

Prior to this appointment, Ms. Stratton served as Head of the Country Pharmaceuticals Organization and Country President for Novartis in Portugal beginning in April 2006.

Since joining Novartis in 1998, Ms. Stratton has held positions of increasing responsibility in the Pharmaceuticals Division and country organizations. She served as Vice President Respiratory & Dermatology Franchise, based in New Jersey, US, as well as Global Head of Respiratory & Dermatology Franchise in Basel, Switzerland. She began working for Novartis in the UK as a Sales Director, and also held Commercial Director and Chief Operating Officer positions in the UK.

Ms. Stratton also held a variety of commercial roles spanning several disease areas prior to joining Novartis. At AstraZeneca, she was Head of the UK Respiratory Business Unit, and was Head of HIV Business Unit, and worked in both Oncology and Cardiovascular as Head of Marketing at Bristol-Myers Squibb. Her career started in Australia as a sales representative for Glaxo.

Ms. Stratton studied Nursing in Sydney, Australia.
